

CERTIFICATE

Deutsche Zertifizierungsstelle Öko-Tex
der Internationalen Gemeinschaft für Forschung
und Prüfung auf dem Gebiet der Textilökologie
Frankfurter Straße 10-14 65760 Eschborn

The company

Schmitz-Werke GmbH + Co. KG

Hansestraße 87

48282 Emsdetten

is granted authorization according to Oeko-Tex Standard 100 to use the
Oeko-Tex mark, based on our **test report A06-0461**

for the following articles:

Fabrics for decoration, sunshades and sunblinds, drapilux®, drapilux air®, drapilux bioactiv and swela®; Woven fabrics made of cellulosic fibres (cotton, viscose) and their blends as well as synthetic fibres (polyester, polyacryl) and their blends, white and in different colours.

The results of the inspection made according to Oeko-Tex Standard 100, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for decoration material and mattresses.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to EN 45 014, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

Eschborn, 05.10.2006

This authorisation is valid until 30.09.2007
